## About Us

Northfield Village Skilled Nursing & Rehabilitation offers spacious private rooms, featuring a flat screen television, wireless Internet, direct-dial phone, individual climate controls, and *en suite* bath for comfort and privacy.

For residents requiring long-term care or recovering from surgery, injury or illness, our light-filled facility offers beautifully decorated lounges, inviting dining areas, landscaped courtyards and lively activity spaces that provide therapeutic benefits and promote wellness.

Our facility is designed to keep you engaged and active.

## Skilled Nursing Care

Our attentive Nursing Staff provides 24-hour care for our residents, communicates with family, and medical professionals, and ensures that each patient's right to participate in care decisions is respected.

**The quality, consistency and dedication of our caregivers are the keys to our success.**

We offer a complete range of skilled nursing services including:

- post-operative care;
- disease management;
- medication management;
- IV Therapy;
- enteral feeding;
- pain management;
- wound care, and much more.

## Residential Life Activities

Our creative and enthusiastic Activities Staff offers a broad range of activities seven days a week. Recreational activities improve physical functioning, enhance social and cognitive skills, improve emotional health and self-esteem and provide a safe, nurturing environment for creativity and self-expression.

**Residents are encouraged to maintain their hobbies and interests and to explore new ones.**

## Dining

Each resident meets with our Dietary Staff to discuss their nutritional needs and food preferences. We prepare delicious and nutritious meals featuring a variety

of fresh seasonal offerings. Residents are encouraged to dine in our dining room but may choose in-room service.

## Rehabilitation Services

When appropriate, patients are evaluated to determine their rehabilitation goals. These findings form the foundation for an individualized plan, which is implemented to help them achieve functional independence.

Our high standards of excellence and the active involvement of our multidisciplinary team set us apart. Family involvement is encouraged as the team strives to:

- Identify the specific challenges facing each resident;
- Set achievable goals;
- Develop a comprehensive treatment plan;
- Provide weekly evaluations and adjustments to treatment plans;
- Work towards discharge planning, beginning on the day of admission; and
- Support homeward bound patients by providing a home-going assessment.

## On-site Dialysis

Dialysis at Northfield Village is provided 3 days a week and is overseen by a board-certified nephrologist. This coordinated approach provides convenience with no need for transportation or disruption of planned

therapy and meals. Dialysis provided by Centers for Dialysis Care (CDC) and conducted by licensed and certified dialysis personnel.
